

Student English Presentation Contest 2026

Call for Presenters

2026. **12.6** SUN
10:00~17:00

Kansai University
Umeda Campus
8F Hall

Theme

Beyond 2030

Shaping the Future through New SDG Solutions from Osaka

Although 2030 is considered the target year for achieving the SDGs, the effort to build a sustainable society must continue beyond that point. Looking ahead to the future after 2030, choose one of the 17 SDGs and propose concrete solutions to future challenges by making use of your own field of expertise. Share your ideas with the world from Osaka.

Application criteria

Undergraduate, graduate, and international students from member universities of the Consortium of Universities in Osaka

※Students whose first language is English are not eligible to participate

Team composition

Teams should comprise two to four students, including at least one Japanese student

※Teams composed of students from multiple universities can also participate.

Each presenter will receive a certification of participation and a QUO card (worth 1,000yen) as a participation gift.

Please check the Application Guidelines on HP before applying

No entry fee
