A walking tour of Osaka
designed by current
university students

Experience a tour where you can visit Osaka's pride, **Osaka Castle**, and enjoy a food walk at **Tenjinbashi-Suji Shopping Street**, the longest shopping street in Japan at approximately 2.6 km. Learn about the past lifestyles and culture of Osaka at **the Osaka Museum of Housing and Living**!

We are also planning interactive activities through mini-games!

Message from a student planner

Everyday life often involves commuting between university, part-time jobs, and home, and interacting with the same people. Why not step out of this routine a little and engage in international exchange while strolling around Osaka?

This could be an opportunity to experience different languages, universities, academic fields, and perspectives.

If you're even slightly interested, please apply through the application form!

Our team of student organizers is preparing to make this the best Osaka city tour with international exchange. We look forward to meeting you!

Capacity
40 students

Due to the limited capacity, participants may be selected based on the information provided in the applications.
